MICRO 900W

PERSONNEL CARRIER

Zallys MICRO 900W electric scooter is the right solution for those who need to move in parks, gardens, beaches or any other large space quickly, quietly and without emissions.

It can be equipped with rear and frontal baskets or with a golf bag holder: its maximum load capacity is up to 250 kg (550 lb).

MICRO can also be equipped with a towball hitch, to let it tow wheeled trolleys and trailers.
