K2

INDUSTRIAL LOGISTIC

Zallys K2 is a 3 wheels stand-on electric personnel carrier, designed for transporting personnel and tow carts. Thanks to the patented platform adjustment system, is possible to raise it from the ground up to 30mm and let K2 travel easily over uneven ground.

Very handy, it can tow train of trolleys or wheeled loads up to 1.500 kg (3.306 lb). K2 can be equipped with various accessories, hitches and removable battery packs (even Lithium) for the maximum uptime.
